

Narmada College of Science and Commerce

Zadeshwar, Bharuch 392011

Best Practice 1:

Narmada College of Science and Commerce has always taken new initiatives relating to the current trends in education and in society and also spread awareness about the same. We also take efforts so that the new initiatives are internalized in the institute.

During this academic year the College has worked hard for **Cash Less Campus**. The Government of India on 8th November 2016 announced the Demonetization by banning the old Rs 1000 and Rs 500 from immediate effect. The main motto of the Government was to bring all the cash in bank circulation and there after promote only cashless transactions. The Chairman of the Trust and the then MD GNFC, Shri Rajiv Kumar Gupta (IAS), announced **Cashless Transactions** in all GNFC and related campuses.

The College also took up the challenge and started various activities to begin and promote cash less transactions in the College. It was decided that all payments and receipts in the College will be done through cashless mode only.

For the purpose of cashless payment of fees the students already had the payment option through the payment gateway on the portal. Apart from this the students are facilitated with other options like use of credit and debit cards, various UPI modes etc. POS machines were provided by our bankers for swiping of credit and debit cards. Mobile phones were purchased for use of UPI based apps.

A Number of training programs were conducted during the academic year for staff and students of the College so that the process of cashless transactions could be facilitated. Apart from the College office the College canteen also started to practice cashless transactions and the students and staff were required to make cashless payments only. The whole process was monitored by the College staff and also the Management of the College.

Best Practice 2:

As a part of all round development of students the College this year focused on extra-curricular and co-curricular activities. It was a thoughtful implementation of IQAC and the programs were planned in the beginning of the year.

It was planned to have competitions under the Saptadhara platform of the College. The Government of Gujarat created a special platform for the students to participate in the seven dharas (The Seven Bands) of creativity namely Gyan Dhara (Knowledge Band), Sarjanatmak Abhivyakti Dhara (Creative Expression Band), Rang, Kala ane Kaushalya Dhara (Fine Arts Band), Naatya Dhara (Theatre Band), Geet Sangeeta ane Nrutya Dhara (Music and Dance Band), Yog Vyayam ane Khelkud Dhara (Yoga and Sports Band), Samudayik Seva Dhara (Community/Social Service Band).

Various programs were conducted like poster making, rangoli competition, mehendi competition, classical vocal singing, and classical instrumental, classical dance, best from waste competitions. At the end of the academic year UTSAV 2017 the regular annual event was celebrated on a grand scale.

Students of the College enthusiastically participated in the annual function. The cultural program was preceded by prize distribution ceremony where meritorious students are awarded with gold and silver medals and participants of various competitions are felicitated with certificates.
