

Report on NCC Day Celebration – Cleanliness Drive by NCC Cadets at Narmada College of Science & Commerce

Event Overview

To commemorate NCC Day and contribute to environmental preservation, a Cleanliness Drive was organized at Nilkantheshwar Mahadev Temple located along the serene Narmada Riverbend. This initiative aimed to instill the values of environmental responsibility, community service, and discipline among the cadets.

Details of the Activity

Organized By: NCC Unit of Narmada College of Science and Commerce

Date and Time: 21st November 2024, 11:00 AM – 01:00 PM

Location: Nilkantheshwar Mahadev Temple, Bharuch District

Participants (NCC Cadets): 45 (13 SD, 06 SW)

The event saw the active involvement of 19 NCC cadets (13 SD and 06 SW). Cadets undertook tasks like removing waste, segregating recyclables, and cleaning the temple premise's riverbank of Narmada. During the drive, approximately 10 kg of waste was collected and responsibly disposed of, leaving the site noticeably cleaner. Cadets demonstrated teamwork and discipline while engaging with the community. Visitors and locals appreciated their efforts and pledged to maintain cleanliness at the temple and its surroundings.

Glimpse of on NCC Day Celebration – Cleanliness

Cadets Collecting Garbage During the Drive & Group Photo of Cadets After Drive Conclusion.

The initiative was a success, with positive feedback from temple authorities and the local community. Cadets gained valuable insights into service beyond self, a core NCC value. The activity fostered a sense of pride and accomplishment among participants while reinforcing the importance of environmental conservation.
